

1st February 2017

Dear Parents/Carers

The Ferns Primary Academy is joining the global Safer Internet Day campaign to promote the safe and responsible use of technology.

Coordinated in the UK by the UK Safer Internet Centre, Safer Internet Day will take place on **Tuesday 7th February 2017** with the theme '**Be the change: Unite for a better internet**'.

To celebrate the day, the whole school will be involved in activities, discussions and competitions. We are also offering two internet café sessions, for parents to come and meet with their children and use the internet together in a safe environment. The children will be able to show what sites they use and what computing skills they have learned so far this year.

Mr Broadbent will be on hand to discuss any online safety issues or concerns parents have.

This is a nationwide day of action involving the #SID2017 social media campaign and youth events where young people will have the opportunity to have their say about the digital issues that affect them.

We at the Ferns inspire our pupils to be digital citizens of the future and we think that this day will help inquiring minds stay safe in an ever increasing digital environment.

If you are interested in attending one of these events then please complete the form below.

I would like to attend the 9:05 a.m. session 2:15 p.m. session
