

## Early Years Vision Statement

*In the Early Years Foundation Stage at The Ferns Primary Academy we believe in providing children with a safe and stimulating environment where children flourish. We pride ourselves on listening to children and those who care for them and using this information to personalise each child's learning.*

*Learning should be fun and we strongly believe in first hand experiences, valuing the importance of the outdoor environment to develop children's thinking and problem solving skills.*

*We believe that every child is unique and should be treated so allowing them the opportunity to develop and learn in a safe and nurturing environment where play and learning is combined.*

*We understand the importance of practical learning experiences and strive to equip children with a love of learning and a natural curiosity.*

*We are committed to giving our children the best possible start to their school life, teaching them skills which ensure their well-being now and success in the future.*
