

2<sup>nd</sup> November 2017

Dear Parents/Carers

### European Languages Day

On **Friday 10<sup>th</sup> November** we will be celebrating European Languages Day at The Ferns.

The European Day of Languages was established in 2001 to show the diversity of languages within Europe and to encourage more people to learn a language.

At The Ferns we are lucky enough to have children from all over Europe, as well as from other parts of the world and it is important for us to celebrate this.

We invite children to come dressed in a costume of a **European** country or colours associated with a particular European Country on **Friday 10<sup>th</sup> November**.

Part of the day will involve food tasting, if your child has any allergies that you have **NOT** informed us about, please inform their class teacher immediately.

We are looking forward to a fun-filled languages day!

Yours faithfully

*K Salmon*
