PE

For this term, your child's PE provision will be outdoor sports. They will need to have full P.E kit in school every Tuesday We encourage children to leave their P.E kit in school for a whole half term.

Big Bangs!

We will be discovering the land of fairy tales but not in the way we know them. Who knew a fairy tale could have so many versions?

Music

This year we will be using Charanga to teach music and the children will learn to use their voices and accompanying instruments.

The Ferns Primary Academy Year 2 Spring Term Curriculum

What will we be learning this term?

English

- **Quality Texts** : *'Goldilocks and Just the One Bear'* by Leigh Hodgkinson

Children will learn how to write a number of fiction and non-fiction genres. We will concentrate on different sentence types and how they end.

Do you recognize these types of sentences?

- Command
- Statement
- Question
- Exclamation

In reading we will be focusing on longer texts. These will include chapters and we will be using our VIPERS to look more in depth and truly understand our texts.

Maths

This term, the main focus for children will be the development of their skills in multiplication and division including money. For Year 2 this will include:

- Statistics
- Shape
- Fractions

Science

Enquiry Questions:

How can we keep the human body, just right?

This term our science topic is looking at the human body and how it grows from a newborn to an adult. We will be inviting some guests to show the difference between a baby and a toddler. We can't wait.

Topic

Enquiry:

What would L.S Lowry think of Manchester in 2019?

Within our topic work this term, we will be researching the city of Manchester and how it has changed over the last 100 years. We will also be looking at our Geography skills, including map and compass work. Where are we in the world?

Art and DT

In Art, we will be learning about the artist, L.S Lowry, and we will be producing work in his style using print and paint techniques.

Our focus in DT will be food; we will explore what makes a healthy plate and creating our own healthy meals.

Home Learning

On the reverse of this newsletter you will find optional but exciting pieces of homework that are designed to inspire your love of learning alongside the Year 2 curriculum.
