Dear Parents/Carers of _____

It has been brought to our attention that your child, _____ has access to a You Tube channel account to which they post videos of themselves.

We consider this as a safeguarding issue for the following reasons:

- It is illegal for anyone under the age of 13 to subscribe or post videos to this site.
- Anyone, in any location, of any age, whatever their intentions can watch your child and post uncensored comments to them.
- Many of the You Tube usernames are giving public access to a child's full name.
- If our pupils are wearing their school uniform in any video, then they could potentially be found and approached by anyone who has watched their clips.

Our strong recommendation is that you assist your child in deleting all videos and removing their account as soon as possible.

Thank you for your cooperation in this matter.

Yours faithfully
A Young
