

THE FERNS PRIMARY ACADEMY
Breakfast Club Agreement

I would like my child _____ to use Breakfast Club.

The Club runs every morning before school from 7.30 - 8.45 a.m. The children should be brought to school via the staff entrance on the car park, please press the buzzer for breakfast club, where they will be fully supervised at all times by members of staff.

I understand the charge is £2.00 per session which is payable in advance. This is a whole charge for each session irrespective of the time my child is dropped off.

I understand that no prior notice is needed for my child to attend this provision but payment must be made when my child is dropped off.

Payment can be made for each session individually or I can pay in advance should I know how many sessions I require for that week. Payments can be cash or card via Pingit.

Should I fail to make the necessary payment, I understand that school will refuse entry of my child attending the provision until the outstanding amount has been cleared.
